RECEIVED

TC-1700 MAIL ROOM

Sir:

In response to the above Application, no formal receipt has yet been received. The Applicant did receive a return postcard indicating that a filing date and number had been assigned, but needs a copy of the formal receipt.

This application, although filed on October 23, 2001, was not officially received in the Patent Office until January 31, 2002. This was most likely due to the mail problems relating to the events of last year, and probably the reason for the lack of a formal receipt. Your attention to this matter will be greatly appreciated.

No fee is believed to be due for this submission. Should any fees be required, however, please charge the required fees to Deposit Account 502309.

Respectfully submitted,

Date: September 13, 2002
